Winner of the DSHS Youngster of the Year Award 2018. Continuing to be successful as a 6yr old. Nice, big mare with an easy character and temperament and a very bright future. Her sire Starpower competed at the Grand Prix level under Zoï Snels and carries the valuable blood of the leading Hanoverian sire Stakkato. Iris's dam's sire Larino has likewise proved an influential stallion; and Iris's dam-line has produced previous international elite horses, such as Aris CMS, ridden by Janika Sprunger. Iris possesses outstanding jumping talent as well as good reflexes, and she has a long future ahead of her.
