Never say never comes from a very strong dam line. We start with his mother: the Grand Prix mare Already. Then comes grandmother Bonita (by Bal Pare) who also gave the 1.60m horse Bolero HX (by Carolus II) and the 1.45m horses Diva HX and Goanita HX. The KWPN stallion Entertainer, who has a fantastic exterior, is the father of Never say Never. The stallion from the Fortuna line jumps at 1.50 level under Michel Hendrix.
